In a town with many talented real estate agents, it speaks volumes that for the second year in a row, the Brad Korb Real Estate Group has been voted “best” by readers of the Burbank Leader. Yes, Korb has received other impressive honors this year, such as the coveted “People Love You on Yelp” award and being included in an invitation-only top producer’s Mastermind Conference hosted by the leading real estate database company, Zillow. Yet the “Best of Burbank” award is the award Korb values the most.

Korb instantly fell in love with Burbank when he moved there as a teen in the 1970s. By the time he was 20, he’d earned his real estate license and decided he was going to do everything he could to become the best, most trusted real estate agent in town. Fast-forward 40 years: today, Brad Korb is recognized nationally as well as locally. It’s hard to say what locals love him for most — his extreme savvy in helping clients buy and sell homes quickly and for the

best price, or his strong, steady, and generous support of Burbank community causes.

“I am truly deeply honored,” Korb said. “Thank you, Burbank!” ■

A Valuable Asset Protection Resource for our Friends and Neighbors

An up-to-date estate plan is vitally important — which is why we are so glad that we can confidently recommend Joe and Kathy McHugh as an excellent resource for making sure your estate plan is in good order. The McHughs have been good friends with the Brad Korb family since the early 1990s, when their children were six years old and playmates while the McHughs and Korbs were in the YMCA Guides program together.

Joe McHugh, founder and principal of LA Law Center, PC (la-lawcenter.com) in Glendale, is well regarded as a caring, experienced attorney with an excellent reputation for representing clients in Asset Protection, Estate planning (Wills and Trusts), Elder Law (Medi-Cal and Veterans Benefits qualifications), Conservatorships, and Trust and Probate Administration. Kathy McHugh is a

Certified Senior Advisor, working in the law firm as Triage Director. Together, they specialize in helping seniors protect their assets so they can qualify for long-term care needs. For a free consultation in estate planning or senior care issues, call the McHughs at (818) 241-4238 and tell them Brad sent you! ■

Farmers Market Guild President

On behalf of the Burbank Farmers Guild, the Providence St. Joseph Foundation, our California Farmers, and the City of Burbank, we would like to thank all of our market patrons from Burbank and the surrounding areas for their support for the past 32 successful years. Through the market and the Providence St Joseph Foundation, as many as 12,000 people are able to receive necessary medical treatment each year. It is wonderful to see the same friendly and happy patrons every Saturday. It is an honor for us to be able to make this pleasant experience happen for so many. One patron once said, "Saturday would not be Saturday in Burbank without the Burbank Farmers Market". Once again, thank you all and we will see you on any Saturday, rain or shine, from 8:00am-12:30pm, at Glenoaks and Olive Avenue. ■

Look What is Coming Your Way! Family Fun Day!!!

SAVE THE DATE: Saturday, October 29, 2016, the Burbank Police Foundation, Burbank Kiwanis for Fun and Burbank Noon Kiwanis will join forces to host a Pancake Breakfast and CAR SHOW and much more, at the newly renovated Johnny Carson Park. The breakfast portion of the day is a fundraiser for any non-profit group that wants to make money: sell a breakfast ticket for \$6.00 and get \$3.00 back! Could anything be easier?! At 11 am there will be a drawing of the breakfast tickets and the winner will get \$1,000.00 (no need to be there to win).

The wait is finally over for the car lovers in Burbank! This will be the first Car Show at our new park! Several fun awards will be given (like "Most Likely to Receive a Speeding Ticket") in addition to the ones for the top 15 cars.

The festivities will start at 8 am and continue until 3:00 pm. The day will include a K-9 demonstration and tactical vehicles on display, vendors, photo booth, costume contest, music, raffle prizes 50/50 drawing, event tee shirts and much more. There will be something for the whole family.

After the breakfast, Kiwanis for Fun will serve a grilled lunch with their famous French

fries, the best this side of the Mississippi!

The Burbank Police Foundation is a non-profit, community based organization whose mission is to cultivate a solid partnership between the Burbank Police department and the residents, businesses and institutions it serves. Both Kiwanis Clubs support the youth of our community. Noon Kiwanis sponsors the High School Key Clubs and Burbank Kiwanis For Fun Foundation sponsors an Aktion Club, a service club for developmentally disabled adults. We all need your support as without it we would not be able to assist the members of our community who need help.

Burbank Temporary Aid Center Updates

November is BTAC Month

If your service club, congregation or business would like to plan a project, collect donations (food or funds!) to help support BTAC during this time, please contact Barbara at 818-848-2822 ext. 110.

The holidays are just around the corner

It may seem early to think about the holidays, but at BTAC, we are already making plans and preparations to meet the needs. Here's how you can help:

- As you are shopping for your holiday meals, purchase a few duplicates of those traditional holiday foods for BTAC.
- If you qualify for the free house-brand turkey, but really want the Butterball, please take the free turkey for BTAC! In November and December, BTAC will distribute almost 1,000 turkeys!
- Through Santa's Room, BTAC will help ensure kids have a merry Christmas. Gifts for teens are especially needed. And gift cards are also welcome.

Fresh Fruits & Vegetables

If your trees or gardens are producing more than you can use, please consider sharing the excess with BTAC. Our families especially enjoy having fresh fruits and vegetables.

BTAC Donation Policy

BTAC can accept only monetary and food donations. When deciding what food items to donate, keep in mind the kind of things your family needs and enjoys. Also, our families especially enjoy macaroni & cheese, peanut butter, jelly, canned fruits and vegetables. If you have questions, please call BTAC at 818/848-2822 ext. 107. **All non-cash donations are accepted at the rear of the building.**

Help BTAC be a good neighbor.

Please do not leave donations when BTAC is closed – especially on weekends or evenings.

BTAC Hours

BTAC is open for services M-F 9:00 a.m. – 11:30 a.m. and 1:30 p.m. – 4:30 p.m. If dropping off a donation during the noon hour, please ring the bell at the rear door and someone will be able to assist you.

BTAC Needs Volunteers!

Join others who have found a place at BTAC. For more information about volunteering, call 818/848-2822 ext. 114.

Mark your calendars!

Save the date for BTAC's 2017 Annual Dinner on March 3rd. More information will be available later in the year.

Did you take vacation this summer?

Have you amassed a collection of hotel soaps, shampoos, etc.? If so, BTAC needs them. Every day, homeless men and women shower at BTAC. The small sizes are great for them to use.

BTAC is running low on hygiene items!

Also, BTAC's stock of full-size hygiene items is extremely low. If you see soaps, shampoos, razors, toothpaste, toothbrushes (individually wrapped), deodorants and other items on sale, please keep BTAC in mind.

The kids are back in school

With the kids back in school, BTAC needs items that would work in lunches. When deciding what food items to donate, keep in mind the kind of things your family needs and enjoys.

And another Thank You!

Year-round, the Burbank community supports BTAC in so many ways. We appreciate all you do to help BTAC serve people who are in need.

Best wishes, Colleen”

Burbank Tournament of Roses Association

By Robert Hutt

Every month, on this page, I end my progress report about Burbank's Rose Parade float with an invitation to get involved. Those aren't just empty words! We can always use your help!

Building and decorating Burbank's float is a year-round activity. Not just cutting dried flowers and welding but conducting the Design Contest, creating the final artwork for the design, selecting and ordering flowers, dismantling the old float and organizing the efforts of hundreds of volunteers! We also build a mini-float for the Burbank On Parade celebration which involves many of the same steps. Drop by the Barn to see what we're up to!

Years ago, the color renderings of our float designs that were submitted to Tournament were one-of-a-kind, hand painted originals! After decades, they have become damaged and the colors have faded. We have taken high resolution photos of the originals and are using Photoshop to create restored digital versions. We can then use the digital files to print new renderings for our "Wall of Fame!" We can use someone skilled with Photoshop.

Are you fascinated by mechanical gizmos? Interested in building animated characters? Our needs vary from year to year, but you could indulge your passion with us! On the other hand, if you've been animating robotic characters for the entertainment industry for years and want to show us how it's done, we'd love to learn!

Do you have left over paint in a corner of your garage? We could use it! Our primer paint barrel is a collection of various

colors that we use as a sealer for foam carvings and wooden surfaces. Bring it in!

Have you ever wanted to learn how to sculpt figures? We don't always need a giant bear or gorilla head! Much of our carving work is quite simple. Get some confidence by working on a pair of "mitten" hands or feet, a pair of construction-bird eyes or a bird beak. Give it a try! If it doesn't work, try another piece of foam!

If you already are a member of the Burbank Volunteer Program, you can earn even more service hours by working with us, too! We may offer a chance to do something completely different from what you've ever done! Alternatively, if you are still in school and need service hours to graduate, give us a call!

You can also help simply by enjoying some great food at one of our Dine-Out fundraisers! The selected restaurants will contribute a percentage of the evening's sales to us. If you think we're doing great work and want to help by just writing a check, we'd love that too! We are a 501(c)3 non-profit organization so any donations are tax deductible.

On Saturday, October 1 at 7:00 AM, we will conduct our first Test Drive for the inspectors from Pasadena. Everyone is welcome to stay after the test for a close up look at what we do and talk with the folks who do it!

Our construction season work schedule is Tuesdays, Wednesdays and Saturdays between 10:00 AM and 4:00 PM. The construction site is located at 123 W. Olive Ave. Call the Barn at 818-840-0060 or visit our website at: www.BurbankRoseFloat.com! Check out our Facebook page, too! ■

New YMCA Aquatics Director Ready To Dive In

By: Trent Nakamura

With a new and improved Aquatics program on the way, the Burbank YMCA gears up for big changes with new Aquatics Director, Jennifer Cervantes. I managed to catch Jennifer for a quick interview in between registrations and meetings for the upcoming season.

Q. How many years have you been active with the YMCA?

A. I'm going onto 6 years.

Q. What experience have you had with the YMCA through your 6 years?

A. The Y is life changing and very family oriented. It's not like your normal, average gym. You feel welcomed here at the Y. I feel that it's a place where a lot of children do come in and grow and learn from other children and build relationships with them.

Q. What's new with the Aquatics program at the Burbank YMCA?

A. We are looking into building more programs by changing the swim lesson program and also adding more programs. We're going to add more lifeguard classes. That's going to give other opportunities for kids in the community to take the class, gain their lifeguard certification, and swim instructors to teach those lessons. We're possibly looking into a swim team, autistic swim lessons, and adding more water aerobics classes.

(Youth) lessons will be 6 weeks long instead of four weeks and kids will have to come to lessons twice a week instead of once a week. We're adding more classes and more time with the instructors so the pro-

Jennifer Cervantes

gram is more consistent.

Q. Fun question, do you have a favorite Olympic swimmer?

A. You know Michael Phelps. I mean, what can you say about him, he's like the best thing, but you know what really touched me this year? The African American swimmer Simone (Manuel). When they did a couple of interviews with her, it really touched my heart. You know she really didn't think that she was going to win a gold medal, but she did.

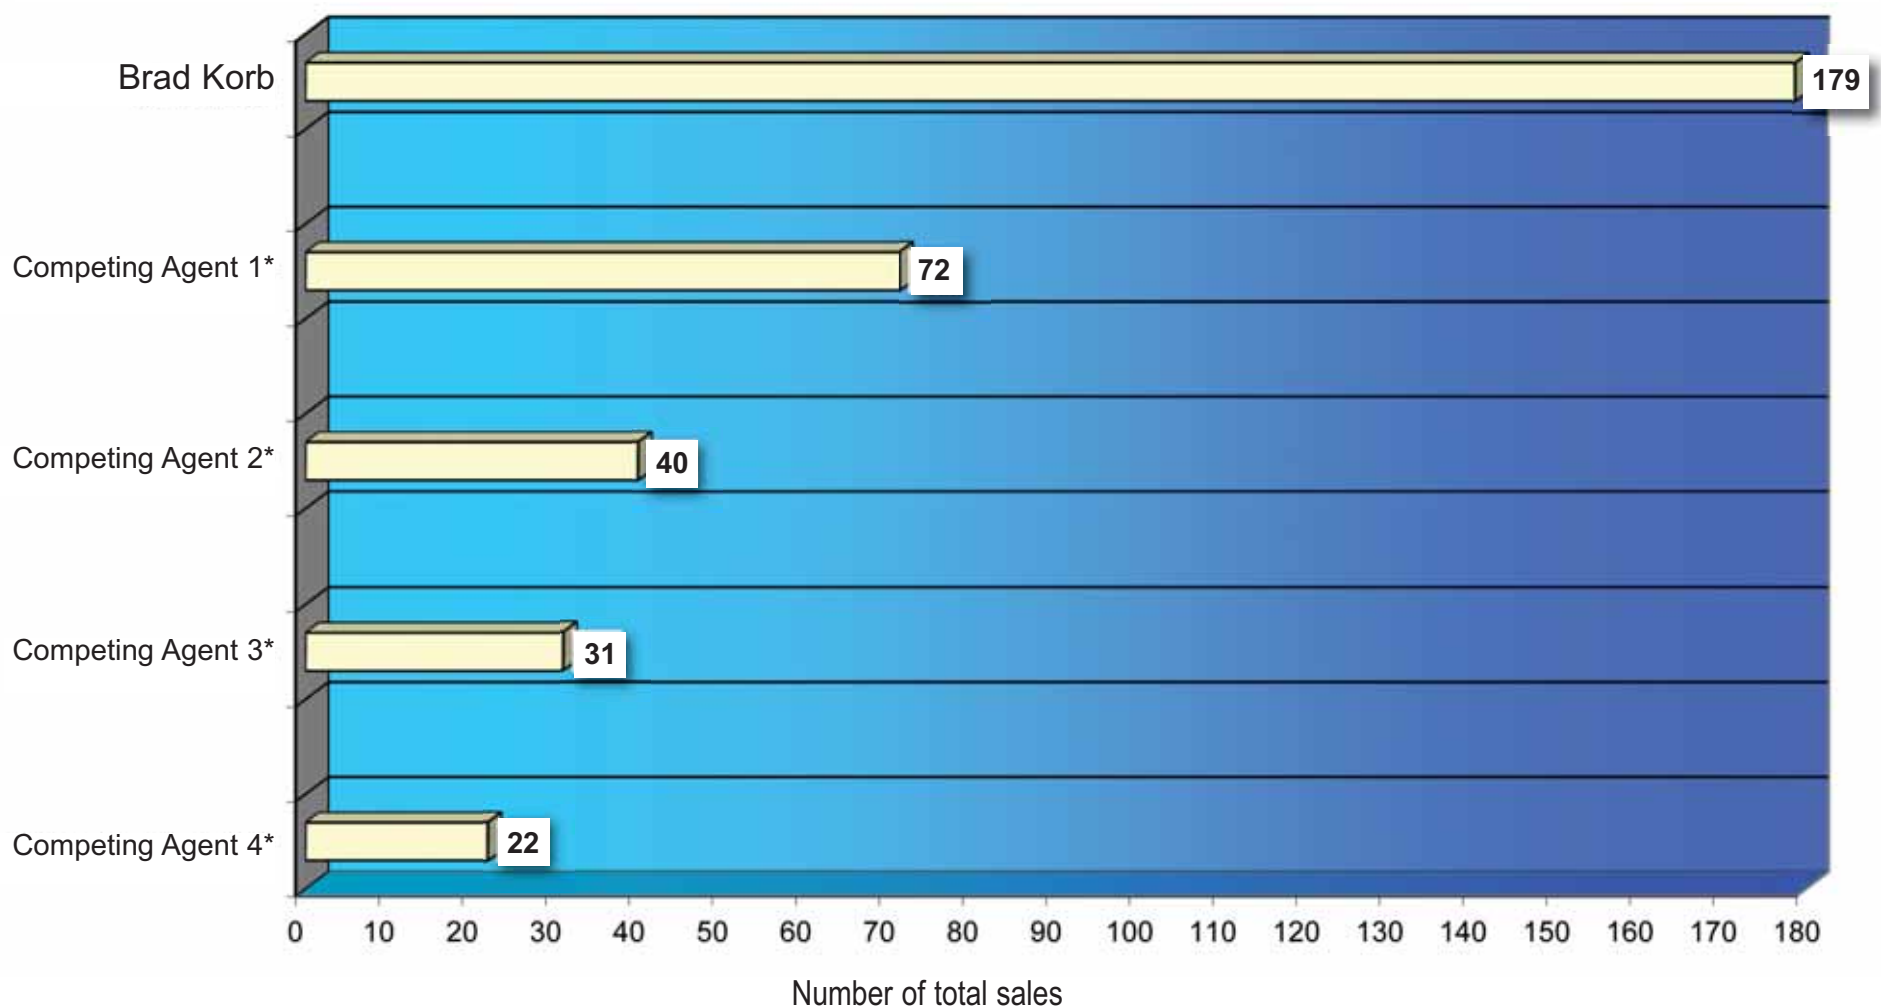

Q. How can the Burbank community enroll in swim classes here at the Y?

They can come to the front desk and enroll or through online registration.

To register for Aquatics classes, come visit us at the Burbank YMCA membership desk or register online at www.burbankymca.org/aquaticslandingpage.php. ■

I had received your constant mailing over the years before listing my property with you. I am very glad that I did! Thank you!

I spoke with several realtors who all told me they couldn't sell my property. Then you came along and figured out a way to sell my home so I could buy a new home. You went out on a limb for me and bent over backwards to close the deal. I appreciate your efforts very much. If not for you, I wouldn't have my family in our new house!

I am absolutely 100% satisfied with the purchase of my home! I was explained everything that was happening in details, which really put this first time home buyer at ease.

Need a Good Home Loan Officer? Here's Who Brad Recommends!

You've probably heard the words "lowest rates" often in the last few years, but as of yesterday, interest rates fell to the lowest they've ever been!

Since the United Kingdom voted to leave the EU, interest rates in the U.S. have been dropping, and as of August 1st, they've fallen lower than ever before. This is a once in a lifetime event!

So what does this mean for potential homebuyers and home owners who want to refinance?

It means that you might want to strike while the iron is hot and take action while rates are low! A fraction of a percentage point may seem small, but it could add up to huge savings over the life of your loan.

And a lower interest rate can mean more money to spend on family trips, remodeling your home, or even a bigger home.

If there's one thing that the Brexit vote has taught us, it's that you can't predict the world events that will affect interest rates in the U.S. Rates can go up at any time.

So if you're ready to take advantage and buy a home or refinance, give me a call or shoot me an email!

PLEASE CALL TODAY!! MENTION THIS AD AND RECEIVE A FREE APPRAISAL AT THE CLOSE OF YOUR PURCHASE OR REFINANCE TRANSACTION! \$500 VALUE!

I Know You Know Someone!

Dear Friend,

Here's a quick note to let you know how I can help you or anyone you might introduce to me.

Experience shows that more and more people are caught off-guard with current economic difficulties. I imagine you may know people who are in a dilemma like never before, and they don't know what to do. As you look at the following categories, ask yourself, "Who do I know that's in one of these three situations?"

- (1) People who took out an equity line;
- (2) Homeowners facing financial difficulties: job loss, loss of a spouse, divorce, or possibly heading into foreclosure;
- (3) Home sellers who wish they had sold a year or two ago, but for whatever reason, didn't. Now, they feel trapped and don't know what to do.

These people need help, and they need it NOW! The next time you're in a conversation with someone who is in any of these three categories, stop, pick up your phone, look up my number (818-953-5300), and call me immediately. They can count on me to be empathetic, to be there for them, to explore all options, and to treat them with the utmost dignity and care. More than ever before, we need each other. And together, we can make a difference!
