## Turkey Time for BTAC from Brad Korb

The way Brad Korb sees it, Thanksgiving and Giving Back go hand-in-hand because there are so many things for Korb and his team to be thankful for. Fulfilling a family Thanksgiving tradition of many years, Brad, Nancy, Courtney Korb and the Brad Korb Real Estate Group delivered about 1,200 pounds of turkeys on November 13 to the Burbank Temporary Aid Center, which Korb says is one of the community organizations that makes him so proud to be part of Burbank.

"I've been a real estate agent here for almost four decades. All along, BTAC has been steadily helping the community and bringing families together," Korb said. "I am thankful that my family and team can help this great organization assist folks in need. We hope to continue for many years to come."

To help BTAC with your time as a volunteer or donations of food or funds, call (818) 848-2822 or visit [www.burbanktemporaryaidcenter.org](http://www.burbanktemporaryaidcenter.org).

### Once Upon a Christmas Celebration

The Brad Korb Real Estate Group is the title business sponsor of the Once Upon a Christmas celebration that takes place annually at Kids Community Clinic in Burbank. Each year, volunteers create a holiday party for vulnerable individuals and economically fragile families within the community.

Local organizations and individual persons, too many to mention, help families and individuals in crisis. This event brings joy, love, and a distraction from the complexities of many in difficult circumstances. Every child receives a delicious meal, a present, fun-and-games, entertainment, and a photo with Santa.

Santa's elves include many service clubs, groups, and friends of the cause who share concerns for those who should not be without, during the holidays.

The key partners for the Once Upon a

Christmas celebration include: Kathy Ireland Worldwide and Level Brands, Kids' Community Dental Clinic, Burbank Family Services, Family Promise of the Verdugos, Burbank Coordinating Council, and Dreams to Reality Foundation.

Every year, The Brad Korb Real Estate Group extends volunteer support for the gathering.

This year's Once Upon a Christmas celebration takes place at Kids' Community Dental Clinic, 400 West Elmwood Avenue, Burbank, California 91506, on December 11, 2018, from 3pm to 5:30pm. 300 children and parents will be served, and although the event is fully committed, any organization wishing to be included for next year's event may contact Dale Gorman, the Executive Director of Kids' Community Dental Clinic, at (818) 841-8010. Toy donations are welcome! ■

### A Valuable Asset Protection Resource for our Friends and Neighbors

An up-to-date estate plan is vitally important — which is why we are so glad that we can confidently recommend Joe and Kathy McHugh as an excellent resource for making sure your estate plan is in good order. The McHughs have been good friends with the Brad Korb family since the early 1990s, when their children were six years old and playmates while the McHughs and Korbs were in the YMCA Guides program together.

Joe McHugh, founder and principal of LA Law Center, PC ([la-lawcenter.com](http://la-lawcenter.com)) in Glendale, is well regarded as a caring, experienced attorney with an excellent reputation for representing clients in Asset Protection, Estate planning (Wills and Trusts), Elder Law (Medi-Cal and Veterans Benefits qualifications), Conservatorships, and Trust and Probate Administration. Kathy McHugh is a

Certified Senior Advisor, working in the law firm as Triage Director. Together, they specialize in helping seniors protect their assets so they can qualify for long-term care needs. ### The Importance of Wealth Management in a Dynamic World

How is wealth like real estate? For one thing, wealth doesn't manage itself. It requires professional services. In a family or business, wealth has its own set of asset and liability needs. For his long-term management, Brad Korb relies on Richard V. Bertain and David Escobar of UBS Financial Services, recommending them with confidence. Korb says these dedicated Certified Financial Planner™ practitioners consistently use premiere customer service and extensive financial resource knowledge for planning and putting in motion long-term goals and objectives.

Bertain, Senior Vice President with UBS Financial Services, has been providing sound financial advice to clients since 1983, earning designation as Certified Investment Management Analyst from the Wharton School. He and Escobar, First Vice President with UBS, are involved in Burbank community organizations ranging from the Burbank Civitan Club and Boy Scouts of America, to the Burbank YMCA and Leadership Burbank.

Bertain and Escobar's Comprehensive Wealth Management approach for high net worth families and businesses is straightforward and thorough: Identify goals, evaluate the

situation, develop a financial plan, implement it, and monitor and rebalance as needed. They seek "to perform effectively and efficiently, such that each of our clients would be proud to recommend us to their family and friends."

### Burbank Salvation Army Angel Tree Project

The Burbank Salvation Army Community Center has its Angel Tree again this year. The Angel Tree is located on the third floor of the Burbank Town Center, by the Burlington Coat Factory, left of the escalator. It started on Monday, November 26, from 10:00 am to 8:00 pm through Wednesday, December 19 from 10:00 am to 6:00 pm. Volunteers are needed to greet the donors and collect the gifts.

A cardboard Angel is placed on the tree with information pertaining to the child on the tag. The gift may be other than what is suggested as long as it is suitable for that age child. The gift must be returned to the volunteer before Wednesday December 19 for distribution to the families. The donor selects an Angel from the tree, checks it with the volunteer, purchases a toy or clothing item and returns it to the table unwrapped. The volunteer attaches part of the tag to the gift for delivery to the family.

Volunteers are assigned two hour shifts, between 10:00 am and 8:00 pm anytime that they are available, including weekends. Families are selected through community centers, social service programs, and other organizations.

To volunteer for the Angel Tree, adopt a family, help distribute, pack boxes with

food, other projects, or to contribute financially, please call Elaine Paonessa at (818) 845-6851 for the Angel Tree or the Corps office for all other projects at (818) 845-7214. Or you may visit the Corps Office at 300 E. Angeleno, at Third Street, in Burbank. ■

Monday through Saturday 9 am to 5 pm \* Sunday 10 am to 4 pm

**MISSION:** The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

**GOAL:** The primary goal of Toys for Tots is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

**OBJECTIVES:** The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future. ■

Several houses we liked were listed with your office. We had planned to use a recommended agent, but after talking with one of your buyer coordinators, we decided to work with her. We were thrilled with the work she did. She was very prompt and detail oriented and was very attentive to our home purchase. We have touted the Brad Korb Team's exceptional work to many friends and they will be calling when they are ready to purchase a home.

## A ROSE (or a town?!) BY ANY OTHER NAME...

By Susie Hodgson

Ever wonder where some of our local towns got their names? Here are a few!

**North Hollywood:** Was originally called "Lankershim," in honor of real estate developer Isaac Lankershim. Renamed when Hollywood grew in fame, since North Hollywood was just north of the movie capitol.

**Glendale:** "Glendale" is Gaelic meaning the valley of fertile land. In early days, the southwest section of what is now Glendale was called "Tropico."

**Pasadena:** The name comes from the Chippewa word for "Crown of the Valley."

**Toluca Lake:** "Toluca" is a Native American word meaning fertile.

**Sun Valley:** This town used to be called "Roscoe," who most people say was the name of a real estate developer. But there is also a much more colorful urban legend claiming that "Roscoe" was slang for guns, and the area was so named because of two armed train robberies that happened there.

**Studio City:** So named because famed Hollywood actor, director and producer of such slapstick comedies as the "Keystone Kops" built his studios on what is now roughly Colfax Avenue and Ventura Boulevard. Today, CBS has studios there.

**Universal City:** In 1915, Hollywood

entrepreneur Carl Laemmle created an actual city to house his growing Universal Studios. It had its own post office, mayor, soda fountain and even a zoo. When talkies came around in the late '20s, they canceled the tours, only to re-start them again with quite a bang in 1964.

**Van Nuys:** Named for real estate developer Isaac Van Nuys. ("Isaac" must have been a very popular name back then!)

**Warner Center:** Harry Warner, the eldest of the well-known studio siblings Warner Brothers, owned a ranch way out there in the west valley. The now-thriving business community is named for him.

**Tarzana:** Edgar Rice Burroughs, author of the popular Tarzan series of books, had a large estate in the hills of this part of the San Fernando Valley. As a tribute to Burroughs, the town called itself Tarzana.

And those are just a few. Want to learn more? Then come visit us!

### Burbank Tournament of Roses Association

By Robert Hutt

In December we get far more volunteers than we do during the rest of the year combined. More precisely, Deco Week, the six days between Christmas and New Year's Eve is when the flood of volunteers arrives to help "build the float." If you've been reading this column every month, you know we started building Burbank's 2019 float about six months ago. However, those December volunteers will be just in time to help apply the finishing touches; and we can really use their help!

But before Deco week, the float has another important date: On Saturday December 8 at 9:00 AM, officials from Pasadena will be at the float site to conduct the formal Second Test Drive (T2) with all crew members at their stations inside the float. As we go for a trip down Flower Street, we will demonstrate nearly a dozen effects and conduct a fire drill in which all crew members exit the float within 45 seconds!

Decorating begins with dry materials, which may be applied as early as mid-December. Fresh flowers will arrive on December 27 but will not be applied until December 28 (maybe the 29th if the weather is hot). Between delivery and application, volunteers will prepare the flowers, including removing mums from their stems and inserting nearly 11,000 roses into water-filled vials.

Before we can accept volunteers, they

must complete an emergency contact form, which for minors (age 7 to 18), must also be signed by a parent or guardian. You can save time by downloading the form from our website: [www.BurbankRoseFloat.com](http://www.BurbankRoseFloat.com) and completing it before you come to volunteer. Our work site, "the Barn," is located at 123 W. Olive Ave. (under the

Olive Ave. overpass). Please park in the Metro Link lot.

Note: We do not accept new volunteers on December 30 and 31 because the float is judged on those days (scheduled precisely for 2:08 PM), and it's just too hectic to train newbies.

Interested visitors may watch the judging and, of course, the departure of the float as it heads to Pasadena on December 31 at about 7:00 PM. Come to the float Barn and wish us well!

The cycle continues: The Float Design Contest for the 2020 Rose Parade is going on right now! ### Thanks for Being Our Eyes, Voice & Ears!

At the Brad Korb Team, we treat our clients in a world-class way because it's what we believe in. So it means a lot to our Team when clients like Steve Palmer (below) show how much they believe in us by telling their friends, neighbors, and family about our great service. It means a lot when clients show how much they believe in us by letting us know if they hear of a neighbor who's thinking of selling their home.

### McCrorry's Estate Sales by Connor 'Liberates' Clients from Stressful Process

Inheriting a home from a loved one usually means inheriting the furniture, artwork, clothing, jewelry, tools, and other valuables inside, too. Brad Korb has decades of experience helping clients sell inherited real estate at its best value, but first the home must be made move-in ready by removing its contents. To help his clients accomplish that to their best financial advantage, Korb recommends Stephen and Aime McCrorry, owners of Estate Sales by Connor.

"Stephen and Aime's family-run company has built a large, loyal following in Southern California among appraisal specialists, collectors, and reputable antique dealers," Korb says. "The McCrorrys are ethical and extremely professional. They handle every aspect of an estate sale from start to finish, with the goal of getting as much value as possible for clients."

Stephen McCrorry enjoys working with Korb "because when Brad is involved, it's always a smooth transaction," he says. "What we like best about what we do is seeing people liberated from the stress and worry of trying to evaluate, sort, and sell all those items at an emotional time. Many of the items have sentimental value, and some things have value that clients might not realize without our expertise. Our service helps make the whole process much easier."

For more information, visit [www.EstateSalesByConnor.com](http://www.EstateSalesByConnor.com) or call Stephen McCrorry at (310) 228-0943. ■
