## Drought-Resistant Yard winner: Kristina Santa Isabela

Earlier this year, a home improvement project at Kristina Santa Isabela's Burbank home forced her to stop watering her front lawn for so long that it died completely. Santa Isabela, fond of gardening and fonder of saving water, designed and landscaped a drought-resistant lawn-free replacement, then learned that she needed a lawn to qualify for a water rebate she'd hoped to get from the city. Philosophical, she decided to install the yard in anyway.

Meanwhile, as a way to encourage drought-resistant residential landscaping in Burbank, the Brad Korb Real Estate Group's Facebook page invited residents to post photos of Burbank's nicest-looking low-water yards. The picture that got the most likes would win the yard's owner an Amazon.com gift card. Brad Korb recently announced the winning yard to be Santa Isabela's.

"It was good of Brad Korb to take it upon himself to encourage saving water in Burbank," she said, adding that the gift card was an unexpected bonus for which she is

very grateful.

Now, she openly encourages everyone to create a lawn-free drought-resistant yard ("It's easier

### Volunteers Help Make YMCA Turkey Trot a Tradition

*The Y Thanks and Recognizes Dr. Robert M. Baba, One of Its Most Dedicated Member Volunteers*

It takes many hands to pull together the Burbank Community YMCA’s annual Turkey Trot, the charitable organization’s Thanksgiving morning run and largest annual fundraiser.

Volunteers are a critical part of making the much anticipated community event, now on its sixth year, a success each time. Dr. Robert Masao Baba, who joined the Y in 2008 along with his daughter Ann, is one of its most dedicated volunteers all year round.

One task critical to the Turkey Trot is creating the signage that marks the 5K and 10K routes and alerts residents to not park along those streets the day of the race (a ticket or towed car is not a great start to a holiday). Dr. Baba, a retired pediatric dentist and a Japanese-American World War II veteran whose combat unit was decorated with a Congressional Gold Medal, helps the Y prepare these signs.

The 98-year-old – who is in fine physical shape but has short-term memory and eye problems – is very detail oriented and appreciates the work. He prepares the signs for hanging by running twine through them and updating the date. This allows the Y to re-use the same signs each year and saves on printing, which helps maximize the event’s proceeds that fund YMCA membership financial assistance.

Dr. Baba also volunteers at the Y every Friday to fold towels. Ann, who is retiring from teaching in December, cares for her father full-time and says she has seen positive effects attributable to his volunteer activities.

“Volunteering makes him feel good and useful and is mutually beneficial for him and the Y,” Ann shares. “He finds what others might think of as repetitive work engaging and keeping active is important to his well-being. He’s one of the few people I know who doesn’t mind scrubbing dishes,” she laughs.

“My father was one of the ‘greatest generation’ who lived through the depression and war and subsequently recognizes the value of working hard and giving back to your community,” Ann continues. “Our involvement in the Burbank YMCA is an extension of that life philosophy.”

Although they don’t run or walk in the Turkey Trot, they do watch it every year

and cheer on the participants who come out to rev up their metabolism before Thanksgiving dinner. They like to stay active throughout the year by enjoying YMCA group exercise classes like “Light & Lively” for Ann and “Sit & Tone” for Dr. Baba.

For Thanksgiving dinner, the Babas are going out on the town for a hot turkey sandwich, a new family tradition since the kids have grown up and moved out. “It’s a great time with friends and my father and no dishes to be washed by either of us!” Ann says.

If you or someone in your family is interested in volunteering at the Burbank Y – there’s a task for all levels of capability – please contact JodiLyn Reneaud, Director of Volunteer Engagement, at [jodi@burbankymca.org](mailto:jodi@burbankymca.org) or visit [www.burbankymca.org](http://www.burbankymca.org).

The Y is thankful for the help and wishes everyone a blessed Thanksgiving! ■

## Burbank News & Events

Join the Magnolia Park Merchants Association as they kick off the holiday season with their annual community event: Holiday in the Park. On Friday, November 20th from 5-9pm, Magnolia Park will be alight with people and festivities ranging from a car show, pictures with Santa and Mrs. Claus, live music and entertainment, carolers, a snow lot, Princess characters, the Grinch, holiday shopping, a handmade holiday boutique, lots of hot chocolate and cookies, food trucks, and a community lot featuring all of Burbank's finest community organizations. Stores will be collecting canned food items for the Burbank Temporary Aid Center during the event so bring the whole family out for a night of fun and giving back.

## Changes at Burbank Temporary Aid Center (BTAC)

BTAC Client Services Manager Pedro Torres has been offered and accepted a wonderful opportunity at UCLA. He will be an Administrative Analyst with the UCLA School of Medicine, managing their online continuing education program for physicians. This is a new initiative for the School of Medicine. He starts this new position on November 2nd. October 30 will most likely be his last day at BTAC.

Over the past five years, Pedro has been an important part of BTAC's growth and success. Although he has many accomplishments, perhaps the most difficult was implementing the use of a Client Services database. BTAC CEO Barbara Howell has often said, "Pedro has dragged BTAC, kicking and screaming, into the 2000's!"

Sharing the news with BTAC volunteers, Torres said, "It's been five years since I started working at BTAC, and through the

years I have learned and grown so much; personally and professionally. It's an experience that I've shared with many of you, and I thank you all for being a part of it. While this won't be the last you hear of me, I do want to take a moment and commend each and every one of you for what you do for this organization. What you do for BTAC is inspiring and I'm grateful to have met and worked with such wonderful people."

BTAC would like to both thank Pedro for his hard work and passion for serving BTAC clients and congratulate him on this new opportunity. ■

Also, BTAC will provide gifts for more than 400 children this holiday season through the Santa's Room program. New gifts, such as games, sporting equipment, skate boards, gift cards for clothing, and especially gifts for teens are always popular. ### Van Bloem Singers Looking for More Members

The Van Bloem Singers, a volunteer singing group, have just completed their 23rd season. They have performed over 900 shows, all of which were very enthusiastically received. They are looking for singers who are interested in performing Broadway and popular music. Being able to "sight read" is not necessary, but some past vocal experience is preferable.

Men and women, who are able to perform between the hours of 12:00 pm and 3:00 pm on a weekday, and on an occasional evening, Saturday, or Sunday, are welcome. Rehearsals are Monday evenings from 7:00 pm to 9:00 pm in the Chapel of the Burbank Salvation Army, 300 E. Angeleno (corner of Angeleno and 3rd Street). This busy and talented group of singers perform over 30 shows each year for service clubs, volunteer organizations, retiree and church groups, senior residences, and health care facilities. Singers need not make every performance. If interested please call Elaine Paonessa, Musical Director, at (818) 845-6851. ■

### Burbank Tournament of Roses Association

By Robert Hutt

My main purpose in writing this column is to dispel some misconceptions about Burbank's Rose Parade float and to encourage members of our fair City to get involved in helping to build and decorate our float! We don't order our float from a catalog. The float is also not built in December. As a past-president of the Burbank Tournament of Roses Association, I have some first-hand experience with the process!

Regular readers already know that producing our float is a year round process which begins in January when the design is selected from concepts submitted by members of the community. Building upon the City-owned chassis, a relatively small team of volunteers constructs the steel framework for each year's float. Another team of volunteers work out the color scheme, select and order the specific flowers needed to decorate the float. A large share of the floral materials will be dried and must be prepared before they can be used as decorating materials. This is the stage when volunteers are needed most!

The float has more than 2000 sqft of surface area and every inch needs to be covered with floral stuff. We always get loads of people who are willing to apply decorations but if no materials are prepared, what will they apply? Although some preparation of dry materials can be done during Deco Week (Dec 26-31), it would not be

wise to plan to do everything in those last five days. We would much prefer to know that we have everything ready to go!

Preparing dry materials is not a glamorous job but it is a very important one! We cannot buy bags of ready-to-apply static or strawflower petals, because floral supply vendors simply do not sell it. We need our volunteers to do what no one else does!

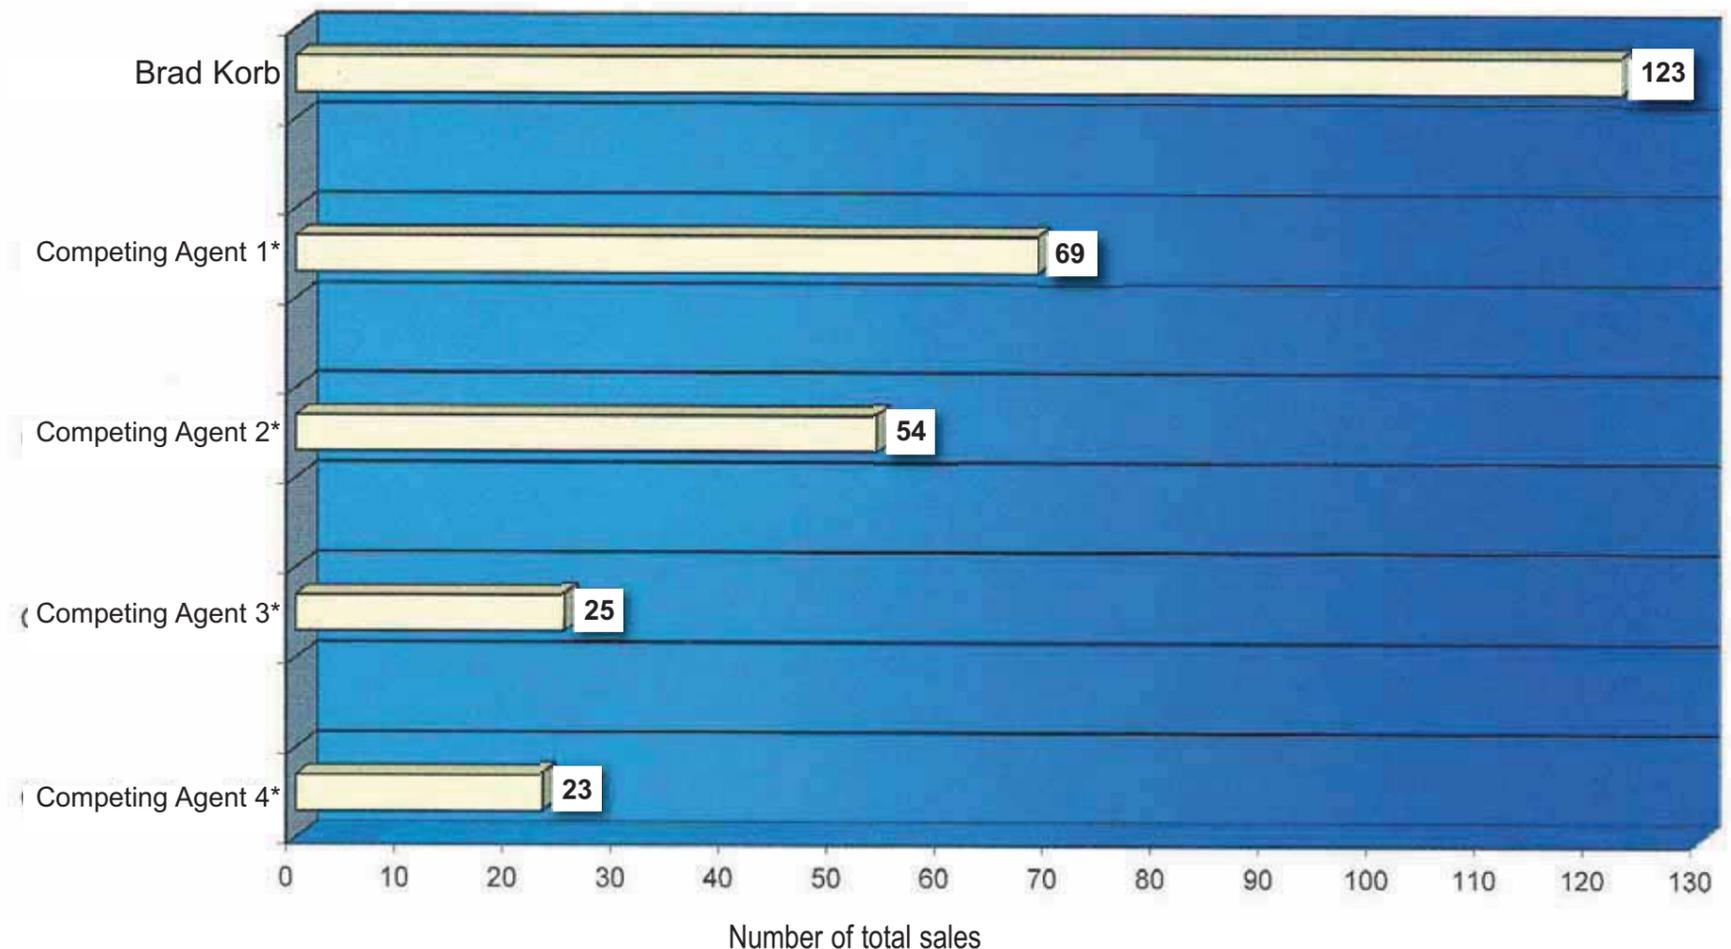

Floral preparation is not particularly challenging, however, it certainly requires patience! Usually youth groups from Burbank and Burroughs high schools provide many of the hours needed to process the materials. The students also receive service credit for the hours they work. Boy Scout and Girl Scout units also provide some help. We can use everyone! Parents can spend an hour or so working with their sons/daughters on this highly visible community project. We need everyone!

If you can help, call the Barn and leave a message. We'll get back to you and arrange a date and time!

Our normal work schedule is Wednesdays and Saturdays between 10:00 AM and 4:00 PM. The construction site is located at 123 W. Olive Ave. Please park in the Metro Link lot. Questions? Call the Barn at 818-840-0060 and leave a message or visit our website at: [www.BurbankRoseFloat.com](http://www.BurbankRoseFloat.com)! Follow us on Facebook, too! ■

### Burbank Noon Lions Extend Thanks for Donated Glasses

By Marva Murphy

The wind whistled around the large vinyl banner, hung high over the intersection of Magnolia and Hollywood Way. It reminded the community to clean out drawers/cabinets and contribute old eyeglasses to the Burbank Noon Lions by announcing, "Help Others to See and Hear, Donate Used Eyeglasses and Hearing Aids". And that is exactly what the community did; donated more than 1500 pairs of glasses and a handful of hearing aids to the collection boxes in the Burbank Library locations and the Recycle Center.

The Burbank Noon Lions are extending deep appreciation for the wonderful community response to the request for used glasses. Part of the Lions in Sight project ([www.LionsInSight.org](http://www.LionsInSight.org)), the used glasses go through a preparation process for distribution to the very poor in under-developed countries around the world. The recent natural disasters (earthquakes/floods) require an ever-increasing number of glasses to help provide the gift of sight for the less fortunate.

Members of the Burbank Noon Lions have volunteered for Lions in Sight eye clinic missions, bringing several hundred pairs of recycled glasses to remote villages, where walking is the only mode of transportation and with no available optometry services within 50 - 100 miles.

In addition, the Burbank Noon Lions have announced the ability to accept new, unused contact lenses to be utilized for the poor in the Los Angeles area. Lions are asking for anyone, recently undergoing corrective eye surgery and no longer needing their prescription contact lenses, to contact Lion Marva Murphy at [mm@2m4pr.com](mailto:mm@2m4pr.com) to make a donation.

Lions Club International ([www.lionsclubs.org](http://www.lionsclubs.org)) is the largest service organization in the world. Those interested in becoming members or supporting the free services of the Burbank Noon Lions, offered to the low-income/homeless in the community, should contact Marva Murphy at [mm@2m4pr.com](mailto:mm@2m4pr.com). ■

Five plastic bags, carefully filled with recycled eyeglasses, await pick up in the Burbank Central Library. The glasses were dropped off in the three Burbank Library site collection boxes, and comprise more than 1500 pairs of used glasses received by the Burbank Noon Lions for the Lions in Sight project. Used eyeglasses are recycled and provided to meet the ongoing need of the poor in under-developed countries around the world.

### Burbank Salvation Army Angel Tree Project

Angel Tree Faithful Volunteer, Nancy Johnson

The Burbank Salvation Army Community Center will have it's Angel Tree Project again this year. The Tree will be placed on the third floor of the Burbank Town Center, by the Burlington Coat Factory, left of the escalator, starting Monday, November 30, from 10:00 am to 8:00 pm through Wednesday, December 23, from 10:00am to 6:00pm. Volunteers are needed to greet the donors and collect the gifts. A Cardboard Angel is placed on the tree with information pertaining to the child. The donor selects an Angel from the tree, checks out with the volunteer, purchases a toy or clothing and returns it to the table unwrapped. The gift may be other than what is suggested on the tag as long as it is suitable for that age child. The Volunteer attaches part of the tag to the gift for delivery to the family. The gift must be returned to the volunteer before December 23 for distribution to the families. Volunteers are assigned two hour shifts, between 10:00 am and 8:00 pm anytime that they are available, including weekends. Families are selected through community centers, social service programs, and other organizations. To volunteer for the Angel Tree, adopt a family, help distribute, pack boxes with food, other projects, or to contribute financially, please call Elaine Paonessa at (818) 845-6851 (Angel Tree) or the Corps Office for all other projects at (818) 845-7214. ■

#### WHY BURBANK'S WATER SAVINGS HAS TO STAY STRONG

Imagine Burbank must save one bottle of water a month to add up to our water savings goal. Here's what will happen if Burbank doesn't stay on top of our Billion Gallon Challenge each month.

<p>The Billion Gallon Challenge is spread over 9 months—from June 2015 to February 2016.</p> <p>JUNE JULY AUG</p>	<p>If Burbank reaches only half of June's savings goal, then water that isn't saved in June becomes part of July's goal.</p> <p>JUNE JULY</p>	<p>What isn't saved in June and July, gets passed to August...</p> <p>JULY AUG</p>	<p>...and at some point, we can't catch up.</p> <p><b>\$\$\$</b> <b>\$10,000/DAY</b></p> <p>Not meeting our goal results in state fines that affect everyone.</p>
